## **Acknowledgements**

The Local Organizing Committee would like to thank the LPSC for administrative support and for hosting the conference.

The organization of the conference was made possible thanks to funding from the ANR (French National Research Agency) under the contrat ANR-15-CE31-0017 (NIKA2Sky). It was also partially funded by the LabEx FOCUS (ANR-11- LABX-0013) and the LPSC.

All proceedings articles in this volume have been peer-reviewed. All referees and authors should be thanked for their contribution to the editing process of the mm Universe conference proceedings.

## **Cover Picture**

The cover picture is an original drawing done by Clément C. Fabre. His contribution to the success of the conference should be highlighted.
